

In violent opposition to all this sphere of Jewish effort rise the schemes of the International Jews. ... This movement among the Jews is not new. From the days of Spartacus-Weishaupt to those of Karl Marx, and down to Trotsky (Russia), Bela Kun (Hungary), Rosa Luxembourg (Germany) and Emma Goldman (United States), this world-wide conspiracy for the overthrow of civilization and for the reconstitution of society on the basis of arrested development, of envious malevolence, and impossible equality, has been steadily growing. It played, as a modern writer, Mrs [Nesta] Webster, has so ably shown, a definitely recognizable part in the tragedy of the French Revolution. It has been the mainspring of every subversive movement during the Nineteenth Century; and now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their heads and have become practically the undisputed masters of that enormous empire.

Winston Churchill, "Bolshevism, A Struggle for the Soul of the Jewish People", London Illustrated Herald, 8 Feb 1920

The governments of the peoples included in this world republic, with the aid of the victorious proletariat, all will fall without difficulty into Jewish hands. Private property will then be strangled by the Jewish directors, who will administer the state patrimony everywhere. Thus the promise of the Talmud will be fulfilled, that is, the promise that the Jews, at the arrival of the Messiah, will possess the key to the wealth of all the peoples of the earth.

Baruch Levy, in a letter to Karl Marx, published in the Rothschild-controlled La Revue de Paris, 1 June 1928

You have not begun to appreciate the depth of our guilt. We are intruders. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom of not only the latest great war, but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. No one can tell how long we shall go on doing it. Who knows what great and glorious destiny might have been yours if we had left you alone.

Marcus Eli Ravage, Jewish writer, Century Magazine, Feb 1928

The world revolution which we will experience will be exclusively our affair and will rest in our hands. This revolution will tighten the Jewish domination over all other people.
